too careful is enforcing the rules The dreaded disease is on the increase in Cincinnati and has made its appearance in Little Rack. In the former city the health officer reports sixty-five new cases during this week, on increase of twenty five over last week. In the latter city three new cases and one death are reported, all at the Tremont House. It prevails in sixty-five places along the Mississippi river in Illinois, and most alarmingly in Ohio.

BEECHER refuses any longer to preach the hell-and-damnation doctring and takes open and emphatic ground against the dogma of eternal punishment. In his sermon last Sunday he spoke very decide lly, and said that while he believed in a future state of retribution he also believed it was remedial. know, for I can't see the beginning; but that punishment will continue after it can no longer do good, or that it will be made everlasting, I do not believe. God do so to me, and more, if I ever preach that or countenance it in any way whatever. For God's own sake, for the sake of everything that reason, conscience and benevolecc: justifies, I would clear God's skirts of every such aspersion. Punishment, so long as it continues to do good; then annihilation, if you believe it; but eternal punishment never."

It is announced that the emperor of Germany will, on the 22d of March next, that who is not chairman of a committee a clerk being his eighty fifth birthday, transfer the se-pier of authority to his son, the Crown Prines, Frederick William, who will become the chances are that it will be defeated. If the senators would vote in accordance with their feelings and wishes the res lution the emperor regent. Thus will end the most eventful reign since Napoleon the Great went vote; but so many of them are appreheninto exife at St. Helena. But, the military that its rejection is almost assured. A sensand diplomatic principles of the later German empire have been on a scale that the resolution might can only be matched by those which the second of the world was again released on a bond of \$1000.

Warren, but was again released on a bond of \$1000.

Warren, but was again released on a bond of \$1000.

War on Gamblers. can only be matched by those which consummated the dream of Napoleon to bring all Europe to his feet. Its sway is acknowledged by Germans everywhere with pride, for it has united them in a brotherhood that has hitherto been the dream of the poets, and has made the dream of the poets, and has made the formal the first of the Continental powers. The gallant old soldier-emperor lays down the scepter when he is most popular with the people, who looking beyond him and with the people, who looking beyond him and with respecting and honoring him and with respecting and honoring him and with respecting and honoring him. him, and while respecting and honoring him for his patriotism, hope for the day when the supporters of the resolution are willing to yote for such purpose, and the measure themselves at the bar kept by the proprietors the scepter will be put away forever and their say alone will have sway,

attended by the best people of the city. President Gale delivered an address, in which the origin and history of the society was traced and the results of its work were selves, and very plainly demonstrated that success had crowned the efforts of the society. Rabbi Samfield delivered an address, in the course of which he brought out a great deal of historic data that was doubtless new to most of his hearers. The Rabbi is always instructive and scholarly. Broad and liberal in his views of lite and its responsibilities, studious and cultured, he brings to the consideration of all subjects a searching, analytical and logical mind. Gifted also with a faculty for clearness and conciseness of statement, he is able to hold his audience in wrapt attention. He is one of our best platform speakers. We congratulate the society upon its success and especially upon the meeting of last night. It scored a genuine triumph in being able in the teeth of such inclement weather to bring dishermen comptain that the American dine fishermen use kerosene torches at night, the teeth of such inclement weather to bring together so many people, the fadies especially. It proves too, that their work has not been in vain and that the lessons of numanity they have taught have had their effect. Mr. Gale and his co-laborers should feel proud that, working up from most discouraging surroundings, they have in so short a time secured a public recognition and indersement weather to bring the secured a public recognition and indersement weather to bring the water sole of the water and drives the herring away. THE STAR THIEVES.

Conclusion of Their Trial in the Police Court - A Number of Witnesses Examined.

Some of the Peculiar Workings of the System Shown Up-Loose Way of Doing Business.

Washington, January 12.—in the star-route cases in the Police Court to day, Bliss proposed that if in the case now before the court—that of Mennex, Cabell and Dickson—the prosecution failed to establish the existence of a conspiracy, counsel could sgree to let the other cases stand adjourned until it became the pleasure of the Court to take them up. In the event of failure to show the existence of such conspiracy, of course no prosecutions would be pressed before this

This proposition led to some discussion by the counsel, and the Court made a statement defining the meaning of conspiracy under the law, and said he had not fully decided whether or not these cases will be within the scope of the statutes which form the basis of

the cases.

Without action upon Biss's proposition, the first witness, C. P. Webster, notary public, was called, who testified: Witness identi-A long wrangle between counsel en-over the admission of these papers, they were finally put in evidence, the Coureserving its decision with regard to the legal rights in the matter. These papers were bids and contracts on three of the

in tedious examination of witnesses to prove the validity of the papers and all circum-stances of their reception, and the awards made on them were gone over.

Colonel Bliss explained that the defenforced him to pursue this course by insisting

these papers.

When questioned as to the persons present when he did this work, the memory of the witness failed him, and counsel for the defense charged Bliss with seeking to prompt

the witness.
Colonel Bliss repelled the charge, and said indignantly: "I am not used to being accused of subterfuge and wrong practices, and I will not submit to these charges from any Quite a little tilt among counsel followed

ing upon a railreal from time of manifered and advocated reform within the party lines, and advocated reform within the party lines. The witness being finally turned over to the defense on apportionment act. He is backed by the Nebraska delegation and other was almost used to connect the waters of the Atlantic occan and the Gulf of Mexico.

A conference of Republican Independance on apportionment were appointed. Dr. Cary, agent of the Peabody fund, was almost used to commette the waters of the Atlantic occan and the Gulf of Mexico.

Whenever the House considers the report submitted by Mr. Robeson, from the Committee on Rules, Mr. Springer will move to amount fluid by Mr. Robeson, from the Committee, and advocated reform within the party lines. Meeting and advocate

department had no discretion in the matte. They were compelled to accept the indorse ment of a ten cent postmaster. Colonel Bliss, porting the papers in evidence, called attention of the court to the fact that t Minnex and Dickson had sworn in the to seven hundred and fifty-seven acres land in Morgan county, owned by them, wa worth \$50,000, whereas Cabell, the origina

owner, acknowledged having paid \$5 an Mr. Wilson followed by reading didavits on which the case is based, and daimed that even if all of the acts charged claimed that even it all of the acts charged in them were true there was no conspiracy. Conspiracy meant intention to injure some one. His clients had performed their duties faithfully. It was necessary, he said, for some one to perform this service, and no man could find a separate bond for every bid if he went into business to any extent. No one would deny W. W. Coreoran's right to go on a thousand bonds. Why should they deny his clients the same right in due oportion? It was wrong, also that this property spoken of by the prosecution was the only protection the governmental in case of the failure of the contract In fact the surcties were liable to suits to Colonel Bliss replied at some length on this point. At the close of his argument, counsel for Cabell, who was surrendered by his bondsmen last night, asked to have his bale reduced, and Judge Snell fixed it at

\$2000, instead of \$10,000, as originally de-Pending adjournment, Colonel Bliss said desired to make a personal statement both for his own vindication and that of Judge Soell. They had been charged with dragging people from their beds, when the fact was he had left warrants at police headquarters at 2:15 o'clock in the afternoon, with instructions to serve them as soon as saible, so the defendant might so

The court adjourned until to-morrow. CHICAGO TRADE. Only a Moderate Business, and Pric Wenker All Round.

CHICAGO, January 12.-Wheat was fairly active in the early deal, but toward noon became slow. At the close the feeling was pretty weak; all advices were unfavorable to higher prices. Sales were made at \$1.284@ 1.29½ February, \$1.29½@1.30½ March. Trans-actions were chiefly in March. Corn was in moderate speculative demand; prices were weaker, and there was a decline f dade, followed by a rally towards the for cash, with a little easier feeling all rou

4516 14c February, 451@461c May. Rive was quiet and tame Pork, early in the day, under liberal offer ngs, declined 206a 25c, and later on rallied 50a 10c; sales were made at \$17 15(a)17 25, \$17 35(a)17 421 March, Lard with fair made at 11.106 11.15c February, and 11.256 On call prices were weaker all round, but not very much lower.

A Marderous Widow. St. Louis, January 12.—A Springfield dis-patch says: "News has been received here that a young man named Tom Banch was fatally shot through the head by Widow Mansfield early yesterday morning at the vil-lage of Henderson, fifteen miles southeast of this city. The shooting was occasioned by a dispute over the collection of a small bill." ---I am anxious to introduce Dr. Bull's

JAMES S. ROBINSON. APOTHECARY, SECOND AND MADISON STREETS, : : : MEMPHIS.

WITH THE COMMENCEMENT OF THE NEW YEAR, I HAVE JUST INAUGURATED A NEW DEPARTURE That cannot fail to be both plessing and profitable to my patrons, by making a General Reduction in the Prices of all Proprietary Medicines and Toilet Requisites. This reduction is not temporary, for the sake of a little chesp excitement, nor is it so great as to bring these goods below cost, but it is a well considered effort to give the public the advantage that I secure by purposing from the principal dealers of those goods in large quanties for each. For instance, I offer 25 cents | Warner's Safe Kidney and Liver .60 cents

of the Rhine and the protect or seed of Baron Von Gaberies onlike triver. Germany's demands the could received. The recall of Baron Von Canitz, German minister at The Hague, is connected with his want of firmness in supporting the demands. He is to be replaced by Count. Von Sububerg, brother of a former Prussian minister of the interior.

The three liberal parties in the reichstag have finally agreed to present a bill on activate the latter of the convention. Adjourned size die.

The SMALLPOX SCOURGE.

The SMALLPOX SCOURGE to the requirement testified as to the methods of receiving bids and swarding contracts in the postoffice department, testified as to the methods of receiving bids and swarding contracts in the postoffice department, testified as to the methods of receiving bids and swarding contracts in the postoffice department, testified as to the methods of receiving bids and swarding contracts in the postoffice department, testified as to the methods of receiving bids and swarding contracts in the postoffice department, testified as t
